Ultimate Snooker Challenge - 2015 NATIONALS

Unofficial Event - Designed by Carolyn Dockrill

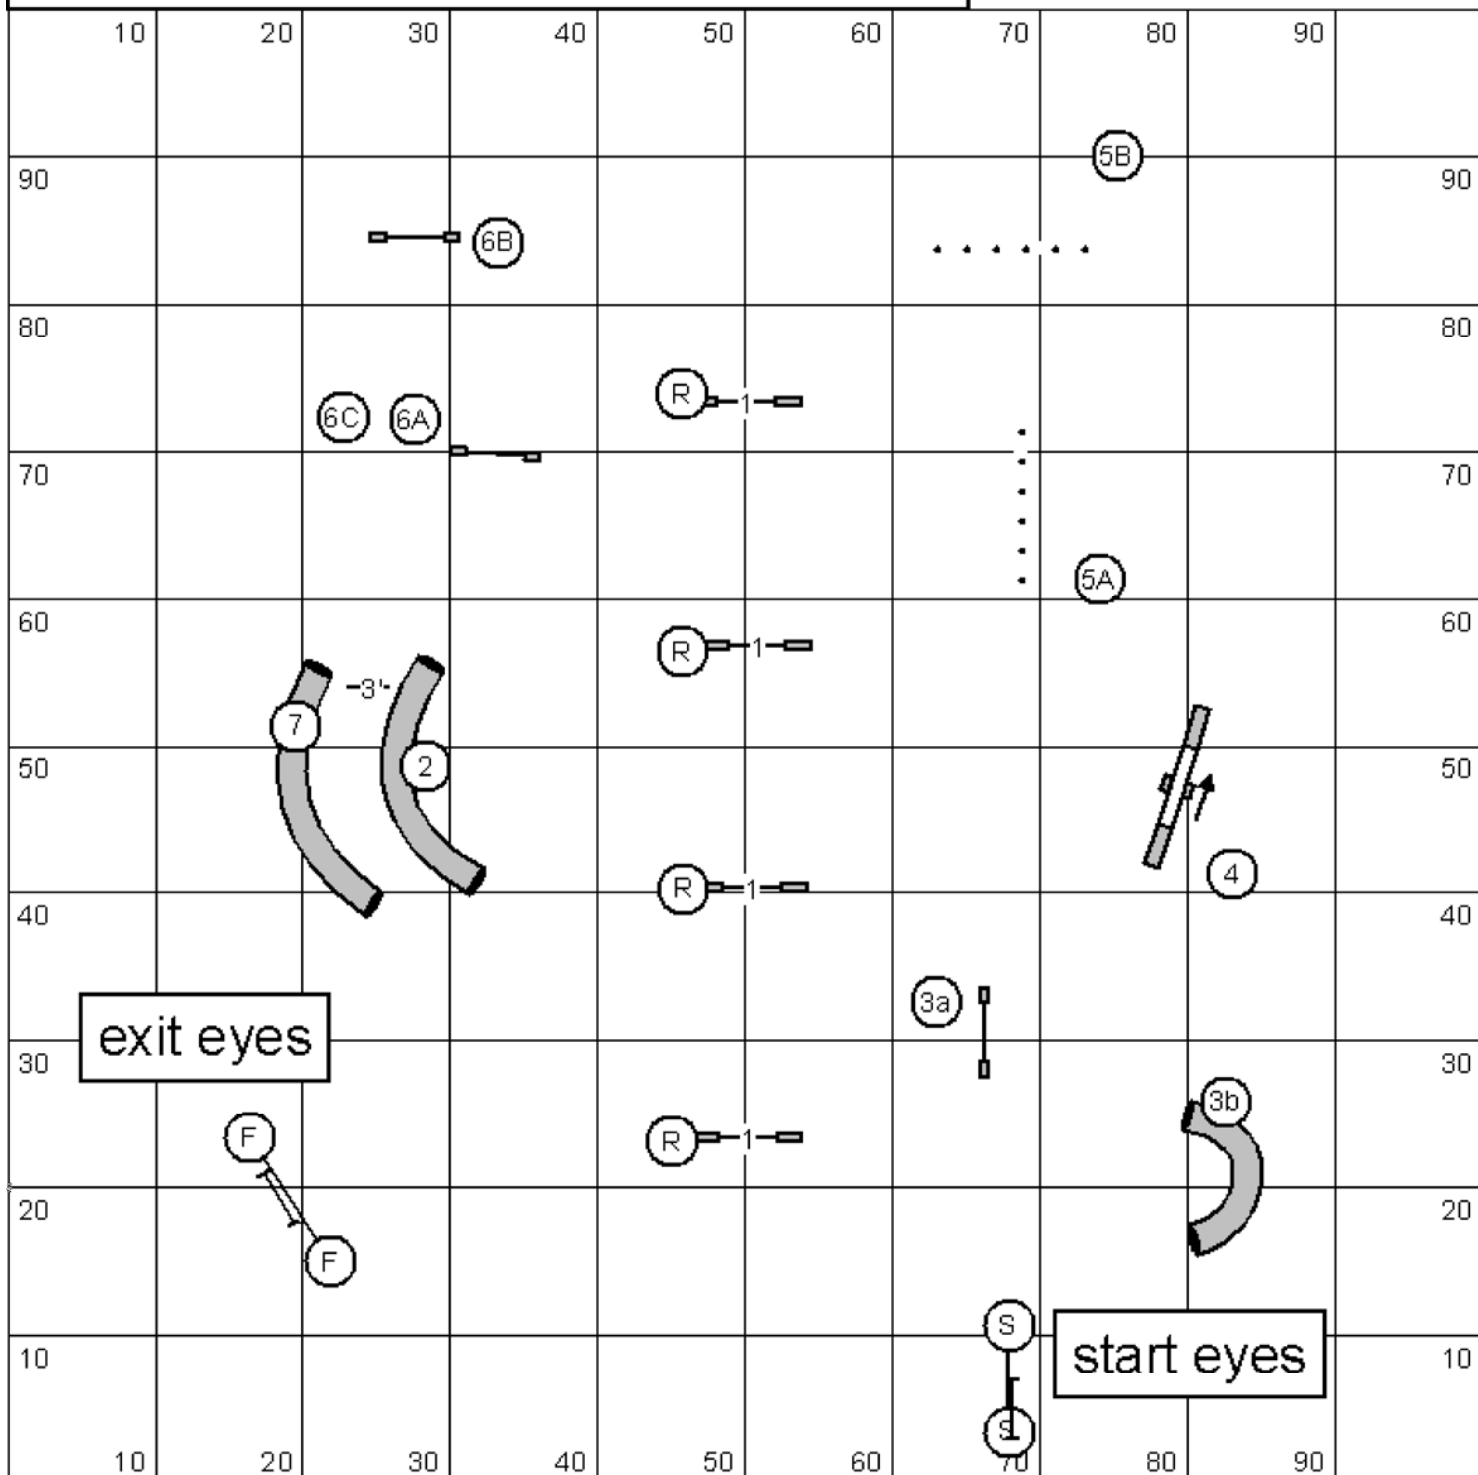

Opening and Closing.....single obstacles are bidirectional; combos are multi-directional

55 seconds, no refusals in opening and closing weave poles judged according to Starters rules.

Ultimate Snooker at 2015 AAC National championships.

unofficial event

Designing judge: Bernadette van Klaveren

Opening and Closing : all single obstacles are bidirectional where possible; combos are multi-directional but must be taken as numbered in closing. Tunnel 2 is bi directional at all times

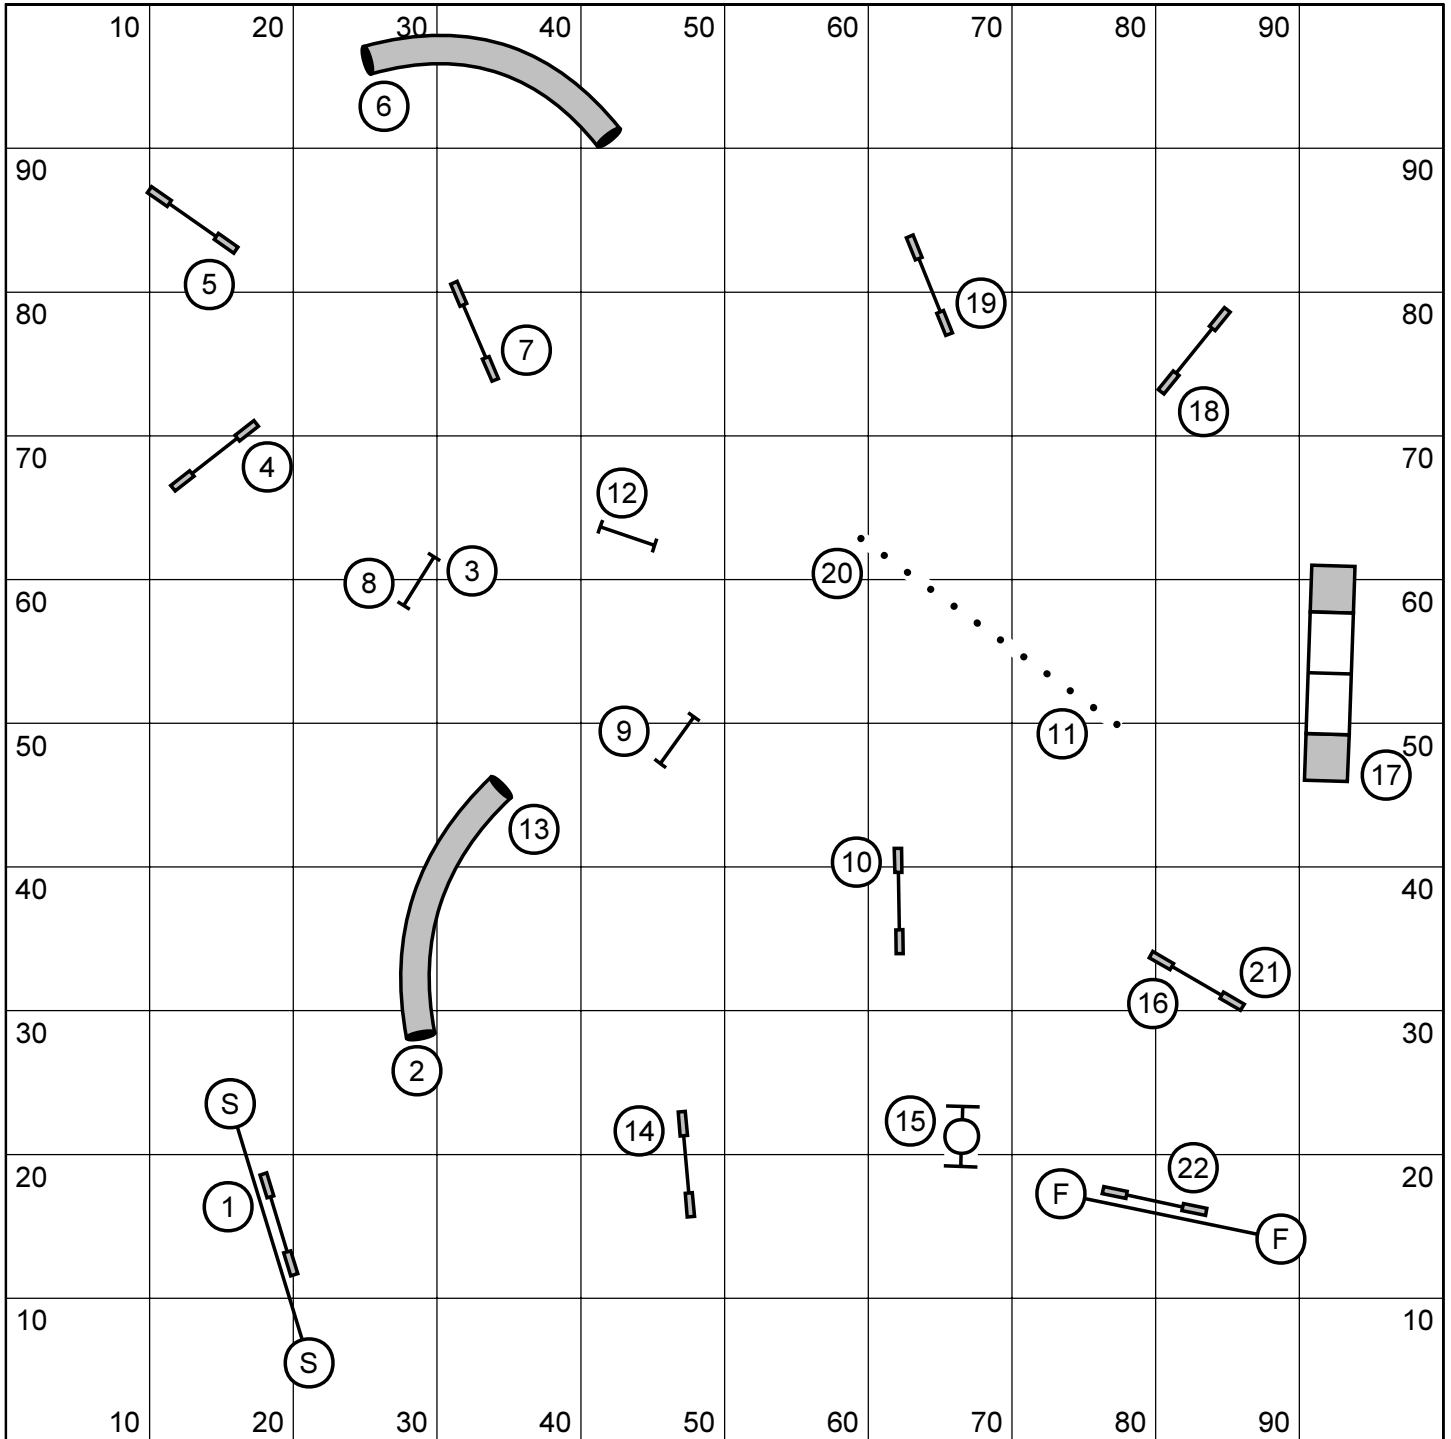

55 seconds, no refusals in opening or closing, weave poles at starters rules

dog must pass through start and exit eyes in any direction to start and stop the time.

No time? No chance of winning!

During the running of the course, the timer jumps/eyes are NOT relevant or active. The exit/finish eye- jump will only be active after time has expired or dog has completed the course to 7, or dog gets whistled off!

Dog passing through eyes during performance of the course, no penalty.
